1	Kindly take note of Page no. 45 of 94, clause 11.1 of Schedule B of CA, where in sl. No. 1, the chainage mentioned is 0+020 to 0+680 BHS, RE wall is proposed for this location, but in page no. 28 of 94, clause 2.10, sl. No. 2, TCS 3A is proposed for the location 0.120 to 0.980, Thus, for the location 0.020 to 0.120, re wall is to be constructed or not, please clarify.	Cl.11.1 of schedule-B of CA to be followed for RE wall Chainage, please refer corrigendum –II for modified clause 2.10 of Schedule-B
2	2. Kindly take note of Page no. 45 of 94, clause 11.1 of Schedule B of CA, where in sl. No. 4 and 5, the chainage mentioned is 0+040 to 0+220 RHS and 0+040 to 0+220 LHS, RE wall is proposed for this location, but in page no. 28 of 94, clause 2.10, TCS is not clear for these locations as well as length is not clear. Thus, for the location 0+040 to 0+220 RHS and 0+040 to 0+220 LHS, which TCS is to be followed and re wall is to be constructed or not, please clarify.	Cl.11.1 of schedule-B of CA to be followed for RE wall Chainage, please refer corrigendum –II for modified clause 2.10 of Schedule-B
3	3. Kindly take note of Page no. 45 of 94, clause 11.1 of Schedule B of CA, where in sl. No. 7, the chainage mentioned is 3+950 to 4+450 BHS, RE wall is proposed for this location, but in page no. 28 of 94, clause 2.10, for Ch. 2.540 to 4.500, TCS – 1(D) is to be followed, where there is no RE wall in this TCS. Thus, for the location 3.950 to 4.450, re wall is to be constructed or not, please clarify.	Cl.11.1 of schedule-B of CA to be followed for RE wall Chainage, please refer corrigendum –II for modified clause 2.10 of Schedule-B
